A Camping We Will Go May 22 - May 26

This camp explores various types of nature elements! Students will go “into the woods” to make different nature discoveries.

Farm to Table June 19 - June 23

Children will learn all about life on the farm by growing food and learning the importance of healthy food choices.

Goddard’s Got Talent July 17 - July 21

This noisy program is all about appreciating music, playing instruments, and singing.

Under the Sea May 29 - June 2

Activities centered around ocean animals, marine biology, and water play.

Kitchen Chemists June 26 - June 30

We will discuss eating healthily, measure ingredients, invent recipes, create menus, and prepare food.

Animal Adventures July 24 - July 28

We will learn about different animals in several different environments...fish in the ocean, insects and bugs in the back yard, unique zoo animals and pets.

Heroes & SHeroes June 5 - June 9

It’s a bird, it’s a plane... no, it’s Goddard Superheroes and Sheroes! Children will explore different elements to be a superhero with a STEAM packed week!

Summer Sports July 3 - 7

We will learn new sports (or outdoor games), practice familiar ones and develop a sense of sportsmanship.

Paint - Draw - Sculpt July 31 - August 4

During this week we will create art to express ourselves and learn about fine arts and crafts.

Western Week June 12 - June 16

This week we will be learning all about the wild, wild west! Students will explore all things western and end the week with The Goddard School Rodeo!

Jurassic Adventures July 10 - 14

Children will learn about different sorts of dinosaurs and explore different theme related activities.

Back To School August 7 - August 11

We will soak up the last bit of summer with our favorite camp activities.
